

Join me at the 4th Annual National Conference on Health Disparities

-Michael A. Rashid
President & CEO
AmeriHealth Mercy Family of Companies

The AmeriHealth Mercy Family of Companies

Fourth Annual National Conference on Health Disparities Reducing Health Disparities Through Strengthening and Sustaining Healthy Communities November 10-13, Philadelphia, Pennsylvania

This conference will address questions about non-medical determinants of health, including: education levels, health literacy, poverty, public safety, community design, access to care, environmental quality, environmental justice, and personal, government and corporate responsibility. Conference presenters and participants will discuss solutions, review programs that work and recommend policies to strengthen and enhance the current traditional medical model of health care through diverse, multi-disciplinary partnerships and perspectives.
